This verification process helps determine potential issues, find a solution beforehand, and, for example, attach additional documents to your application.

2. PREPARATION OF DOCUMENTS

VIE lawyers help you prepare all the necessary documents for submission to the Government Financial Intelligence Unit (FIU). Your documents are translated into English. Then our specialists fill in governmental forms. As a rule, for verification we need your passport, certificate of clean criminal record and your CV. At this stage the investor pays Due Diligence fee – \$5,500.

3. VERIFICATION IN FIU

The lawyers send investor's documents to a department of the Government Financial Intelligence Unit (FIU). There the primary verification of the investor and their family takes place.
